***Ex Parte Quayle***

1. This application is in condition for allowance except for the following formal matters: Cancel claims 1-12, 18-29, 35-41 as being aligned to non-elected invention.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

***Election/Restrictions***

2. This application is in condition for allowance except for the presence of claims 1-12, 18-29, 35-41 to a non-elected invention without traverse. Accordingly, examiner contacted W. Frommer (25,506) on Oct 15, 2004 to determine whether to cancel claims 1-12, 18-29, 35-41 or to provide a Quayle action. Examiner indicated prosecution was closed since patentable claims were indicated with only formal matter of closing the election requirement that the Applicant had initially responded without traverse in the election. Since an agreement was not reached, the examiner is providing a quayle action pending response to close election requirement.
